

Leicester School Building Project

You are invited to join the Leicester School Building Committee:

Public Forum #3

Wednesday, November 20, 2019
7:00PM

Fine Arts Center - Leicester High School - 174 Paxton Street

Opening Remarks - Project Status Update - Design Update - Public Input

proposed 1st floor plan

In an effort to obtain community input and feedback, you are invited to attend this **3rd Public Forum** to learn more about the **Leicester School Building Project**, which is in collaboration with the Massachusetts School Building Authority and is currently under review by various School and Town groups.

At this meeting we will respond to recent questions as well as provide information about the overall project development. **We look forward to hearing from you!**

Please visit the project website for general information and updates:
